Prices shown are guide prices based on the average price for routine servicing of well-maintained equipment and includes parts, labour and VAT. We will stop and let you know if your machines' service goes beyond £10, or more, of the average prices shown. Electrical faults cannot be estimated. Our labour rate is £65 per hour (excl. VAT).

## **What's included in a service...**

A comprehensive service of your equipment where we go through your machine in great detail. We replace all of the filters, check adjust & lubricate all cables & linkages. We thoroughly clean your machine, sharpen & balance blade(s) and service the fuel supply system. In essence, we inspect every element of your machine and ensure that it is in full working order, ready for another year of operation. Some routine repairs will be covered within the labour charge of a full service, but we will advise you before carrying out any chargeable repairs not encompassed by the service, unless we have your advanced approval to proceed.

Pedestrian courtesy mowers  
available, please ask for details.

## **Collections & Deliveries**

Collection and delivery service  
available locally. Walk behind  
and hand-held machines £20,  
Tractors / Ride-ons £35 (incl. VAT)
